Name of the WG Speaker / Co- Speaker	Tunggul Butarbutar
Name of lead proponents a) technical staff b) project lead AV c) project name d) country	Tunggul Butarbutar
Amount Applying for (between 5,000 – 15,000 Euro)	<p>_8000_____ EURO</p> <ul style="list-style-type: none"> - Design and editing (external editor who compiles all contributions from members) 5000 Euros - printing 3000 Euros
Is the amount foreseen to be co-financed with another project / unit / SN?	<p>If yes, with whom? Please specify the co-financing amount.</p> <p>WG members will cover printing costs by project funding in case they want to print more. Up to 7000 Euros.</p>
Cost type (in %)	<p>International / local consultant contract (60%) Meeting packages (0 %) External travel cost (0 %)</p>

	etc. (%): printing (40%)
Title of the Innovation / Learning activity	Creation of an innovative product: joint publication (book or paper) on 'Stock taking experiences and lessons learned with regard to forest related climate mitigation in Southeast Asia'
Description of the Innovation / Learning activity (1-2 paragraphs)	<p>What is the activity about?</p> <p>The activity is the creation of an innovative product, a joint publication (book or paper) on 'Stock taking experiences and lessons learned with regard to forest related climate mitigation in Southeast Asia'</p> <p>The book will entail lessons learned from the member projects of the Forest WG within SNRD. This will foster learning exchange on climate change related issues among projects, within the WG, within SNRD and also to communicate the experiences and data externally.</p> <p>In which format it will be conducted? Book or paper</p> <p>What is the regional and/or sectoral topic of this activity? Forestry and Climate Change</p>
<p>Objectives of the Innovation / Learning activity</p> <p>To which of the following categories would the results of this activity contribute?</p> <ul style="list-style-type: none"> • Mutual learning and knowledge transfer • Studies, manuals and publications • Workshops, Webinars & Trainings • Monitoring & Evaluation, focus on project results • Sectoral onboarding • Innovation promotion 	<p>Please list the objectives / learnings.</p> <ul style="list-style-type: none"> • Mutual learning and knowledge transfer • Studies, manuals and publications • Innovation promotion
<p>What are the expected tangible results of the Innovation / Learning activity?</p> <p>What are the Impacts of the Innovation / Learning activity?</p>	<p>Please list the expected results / impacts.</p> <p>The book will entail the Forest WG members' lessons learned with regard to Stock taking experiences in forest related climate mitigation in Southeast Asia'. This will foster learning exchange on climate change related issues among projects, within the WG, within SNRD and also to communicate the experiences and data externally.</p>

<p>Who will be the potential beneficiaries?</p>	<p>Please list direct beneficiaries and how they can make use of it.</p> <p>The results will not only benefit the Forest WG's members, but also further WGs and the wider SNRD network as well as external actors interested in the topic and the projects' partners.</p>
<p>Why / How is it relevant / add value for SNRD Asia and Pacific, participating member projects, partners, commissioning parties?</p> <p>What are the concrete benefits for the participating member projects (and partner organisations)?</p>	<p>Please describe in 1-3 sentences why this topic is relevant for or benefit the SN project members, partners, commissioning parties.</p> <p>The publication will enable different actors (WG members, overall SNRD network, project partners and counterparts, further external actors) to improve their competence with regard to Stock taking and forest related climate mitigation in Southeast Asia and to learn about innovative stock taking experiences and approaches.</p> <p>The product will also add value for SNRD Asia and Pacific since it will be possible to communicate the WG's work externally. In addition, this product will be beneficial for the counterparts, target groups and commissioning parties because it enables the individual projects to improve their services by learning from other projects' experiences in the region.</p>
<p>How many member projects would benefit from this?</p>	<p>Please list the names of interested / beneficiary projects with country here.</p> <p>Around 17</p>
<p>Expected time frame/ deadline</p>	<p>October</p> <p>Latest by the end of November 2021.</p>
<p>Other remarks</p>
